

HOUSE PASSES BILL TO AID LONG-TERM CARE FOR VETERANS

November 17, 1999

Washington “ Congressman Olver announced today that the House of Representatives passed

“This is good news for veterans in Massachusetts, however, we have a long way to go toward

Olver also noted that, “Many veterans and veterans service providers in my district have been

Other provisions in the bill include increasing access to healthcare for retired veterans; lifting a

Last week, Olver noted during a Veterans Day ceremony that there was an increase in this year

Also signed into law by the President this year was a bill that provides technical and financial a

“This has been a good year for recognizing the importance of needed veterans services. ” Olv
